

EASY MIX AP Cleaner™

Concentrated All Purpose Cleaner/Degreaser

**Biodegradable,
ecologically safe
Product #1010**

PRODUCT DESCRIPTION

A super-concentrated, versatile, all purpose cleaner/degreaser for the true maintenance professional. Formulated with top quality liquid surfactants and detergents, Easy Mix AP Cleaner cleans chemically, economically, and quickly, virtually any type of soil, on any surface, in institutional, industrial, transportation, hospital, and food service operations. When used in restrooms and shower areas this superior quality all purpose cleaner will readily remove stubborn dirt and soap scum from tiles, walls, and fixtures utilizing built-in solubilizers, while it's powerful deodorizers, leave a clean fresh fragrance. Easy Mix AP Cleaner quickly and effectively suspends and removes calcium and sodium chloride deposits left from ice melting compounds. Easy Mix AP Cleaner cleans without rinsing even in hard water, and will not harm existing finishes. Easy Mix AP Cleaner contains no phosphates or harsh solvents, and is biodegradable and ecologically safe.

APPLICATION & MAINTENANCE

Dilute one pint of Easy Mix All Purpose Cleaner/Degreaser in five gallons of water.

Accu-Measure Dispensing System: Dilute 1 ounce per gallon of water for routine cleaning or 2 ounces per gallon of water for higher soil concentrations.

TaskMizer Proportioner: 4 GPM/High Flow - use brown tip, 1 GPM/Low Flow - use purple tip.

Use for damp mopping floors, cleaning walls, fixtures, counter tops, desks, furniture, formica, and skylights.

SPECIFICATIONS
