

EASY MIX Degreaser™

Concentrated Heavy Duty Degreaser

Contains no abrasives
Product #1015

PRODUCT DESCRIPTION

Easy Mix Heavy Duty Degreaser is an extremely powerful foaming degreaser formulated with alkaline cleaners and grease-cutting solvents, to break-up the most stubborn animal fats, grease, oil, and protein-based soils from hard surfaces, walls, concrete floors, and equipment.

Easy Mix Heavy Duty Degreaser contains no abrasives, is fast-acting, non-flammable, and biodegradable.

APPLICATION & MAINTENANCE

Dilute one pint of Easy Mix Heavy Duty Degreaser in five gallons of water.

Accu-Measure Dispensing System: Dilute 2 ounces per gallon of water.

TaskMizer Proportioner: 4 GPM/High Flow - use brown tip, 1 GPM/Low Flow - use purple tip.

MANUAL CLEANING: Remove and cover all food products. Apply diluted solution with a mop or sprayer. Let the solution stand for approximately five minutes, then scrub the application area with a machine or brush. Pick the solution up with a wet vac or mop and then rinse with hot water.

SOAK TANKS: Submerge parts to be cleaned in the solution and allow them to soak until the soil loosens sufficiently so it can be rinsed away.

SPECIFICATIONS

Active Ingredients	Alkaline detergents, builders, and grease-cutting solvents
pH	13.0 - 14.0
Free Ammonia	None
Free Alkali	<10%
Free Acid	None
Phosphates (Elemental)	0.05%
Abrasives	None
Color	Yellowish/Orange
Odor	Peppermint
Solubility in Water	100%
Freeze/Thaw Stability	Minimum 3 cycles
Shelf Life	Minimum 1 year at room temperature
Flash Point	>250°F.
Weight Per Gallon	9.9
Biodegradable	Yes
Soil Suspension	Excellent

SAFETY INFORMATION

Health	2
Flammability	0
Reactivity	0
Personal Protection	D

NOTE: Wear rubber or plastic gloves, protective clothing, and safety glasses while using this product. **Do Not Mix With Other Chemicals.**

CAUTION: Contains strong alkaline detergents which cause chemical burns in undiluted concentrations. If ingested give vinegar, juice of lemon, grapefruit or orange freely. Follow with olive oil. **Do not induce vomiting.** In the event of skin contact flood the affected area with water for 15 minutes, rinse with vinegar, rinse with water again. For contact with eyes flood with clear water for 30 minutes. **Contact a physician immediately.** Contains Sodium Hydroxide CAS #1310-73-2. For detailed information consult MSDS sheet.
