

# FIRST TIME™

## Premium Hand Dishwashing Detergent

Premium Dishwashing  
Detergent  
Product #107

### PRODUCT DESCRIPTION

First Time is a truly superior hand dish washing product. This rich liquid displays all the characteristics requested by those who clean servingware professionally. With a thick lotion-like consistency, this concentrated heavy duty dish detergent possesses the cleaning power of a degreaser, has long lasting suds, and yet, is incredibly gentle to skin. Formulated to work effectively (even in hard water), this unique synergetic formula provides the power to clean pots and pans coated with baked-on grease. Formulated for the environmentally conscience, this product is biodegradable, contains practically no phosphates or harsh chemicals, and rinses clean to leave dishes and pans sparkling with no spotting or residue.

### APPLICATION & MAINTENANCE

First Time may be added to water at the following concentrations:

Light soil: 1/2 ounce per gallon of water

Medium soil: 1 ounce per gallon of water

Heavy soil: 4 ounces per gallon of water

(For exceptionally heavy grease or soil, apply directly on the pot or pan in small quantities and scrub. When clean, rinse with clear water and let dry).
