

CLEAN ALL

High Performance, USDA Compliant Food Service Cleaner/Degreaser

Clean All, all purpose cleaner/degreaser, is an outstanding choice for cleaning stubborn dirt and soil from wall tiles, porcelain, slate, plastics, stainless steel, enameled, sealed or painted surfaces, ceramic tile and concrete floors, even ovens. USDA listed Clean All is a safe and effective product for use in meat, poultry, and food-handling facilities. Moderate foaming action, low surface tension, and superior wetting action make this cleaner perform well at all concentrations, even in hard water. Clean All is non-corrosive, non-flammable, and biodegradable.

APPLICATION & MAINTENANCE

For cleaning floors, apply cleaning solution liberally but do not flood. Allow solution to set for approximately five minutes, then agitate the solution with a buffing machine. Remove soiled solution with a wet vacuum or mop & bucket. Rinse the floor with clean water and allow to dry.

For other surfaces, dilute Clean All according to the following recommendations and apply the diluted solution using a trigger spray bottle, pressurized sprayer, sponge, or cloth. Heavily soiled surfaces can be scrubbed using a bristle brush and then rinsed off. When used on windows, plexiglass, stainless steel or formica wiping with a clean lint free cotton cloth after cleaning will eliminate any streaks or hazing.

For:

Ovens, Grills, Heavy Degreasing

Dilution per gallon of water

64-128 Oz.

Air Filters, Exhaust Fans, Range Hoods

12 Oz.

Tile Walls, Plastic Seats, Refrigerators
Ceramic Tile Floors, Concrete Concrete Floors

6 Oz.

Stainless Steel Surfaces, Formica, Lighting Fixtures

4 Oz.

Glass, Counter Tops, Routine Cleaning

1 Oz.

SPECIFICATIONS

Active Ingredients	Synthetic detergents and alkaline cleaning agents
pH	12.2+/-0.3
Free Ammonia	None
Free Alkali	None
Free Acid	None
Phosphates	<2%
Abrasives	None
Color	Clear Yellow
Odor	Citrus
Solubility in Water	100%
Freeze/Thaw Stability	3 cycles
Shelf Life	Min. 1 year (30°F.-125°F.)
Flash Point	None
Weight Per Gallon	8.6
Biodegradable	Yes
Soil Suspension	Good

SAFETY INFORMATION

Health	1
Flammability	0
Reactivity	0
Personal Protection	B

CAUTION: Contains alkaline detergents. May cause irritation in undiluted concentrations. If ingested, give vinegar, lemon, or orange juice. Follow with olive oil. For external contact, flood with water, wash with vinegar, and rinse with water. In the event of eye contact, flush with plenty of clean water. **Contact physician immediately.** Contains 2-Butoxyethanol CAS #111-76-2, Isopropanol CAS #67-63-0. For complete information consult MSDS Sheet.
