Antiseptic, Lotion Hand Soap

Hands Up is a luxuriant, antiseptic lotion hand soap made of the finest natural ingredients and supplemented with pH-controlled emollients and lanolin to condition and protect skin. Hands Up produces a rich, gentle lather which is easily rinsed and will not irritate the most sensitive hands. Hands Up is also excellent as a body and shower soap.

APPLICATION & MAINTENANCE

Hands Up can be used full strength in standard industrial lotion soap dispensers, or it may be diluted one part hand soap to three parts water for use in liquid soap dispensers.
