

# SOFT & SAFE

## USDA Authorized, Liquid Hand Soap

Soft & Safe is a rich, pH-balanced liquid hand soap formulated with the finest emollients and lanolin to soften and rejuvenate dry, chapped skin. Although it contains no alkaline detergents or fatty acids which could dry or irritate sensitive skin, Soft & Safe provides deep cleaning action. Soft & Safe generates a rich lather in hot, cold, hard or soft water and rinses completely clean, leaving no residue of any kind.

## APPLICATION & MAINTENANCE

This hand soap comes ready to use. Apply a generous amount to hands or skin, work it into a rich lather, and then rinse clean. Soft & Safe may be used as a refill in all pump or standard liquid hand soap dispensers. If the dispenser previously contained a different soap, be sure to rinse it clean with hot water before refilling

## SPECIFICATIONS

Active Ingredients	Non-ionic ethoxylates
pH	8.2-8.8
Free Ammonia	None
Free Alkali	None
Free Acid	None
Phosphates	None
Abrasives	None
Color	Pink
Odor	Floral Bouquet
Solubility in Water	100%
Freeze/Thaw Stability	3 cycles
Shelf Life	Min. 1 year (30°F.-125°F.)
Flash Point	None
Weight Per Gallon	8.6
Biodegradable	Yes
Soil Suspension	N/A

## SAFETY INFORMATION

Health	0
Flammability	0
Reactivity	0
Personal Protection	N/A

This product contains no hazardous ingredients as defined in M.G.L.C. 111F, 105 CMR 670.010, and 29 CFR 1910, 1200. For detailed information, consult MSDS sheet.
