

FABRI FOAM

Concentrated Rotary Carpet & Upholstery Shampoo

A superior shampoo designed for use in hand, foam-generator or rotary machine cleaning of all carpet and upholstery fabrics. Formulated with synthetic detergents, solvents, optical color brighteners, and a static-electricity suppressor, Fabri-Foam will quickly and efficiently remove dirt and grease from fabrics and carpeting. Effective but gentle, Fabri-Foam will not burn or dry out the fibers. Fabri-Foam is completely safe for use on wool, cotton, rayon, acrylics, polyolefins, blends, and all colorfast fabrics and carpeting. Environmentally conscientious, this product is non-corrosive, non-flammable and biodegradable.

APPLICATION & MAINTENANCE

For Foam Generator type shampooers: dilute 16 ozs. shampoo with one gallon warm water.

For Rotary-Brush shampooers: dilute 8 ozs. shampoo with one gallon warm water.

Vacuum carpet to remove loose dirt, then shampoo a 4 square foot area moving slowly with over lapping strokes. Follow by crisscrossing at right angles until a thin foam covers the area. Continue scrubbing without application of additional solution until foam disappears. While the carpet is still moist, brush in one direction to fluff up the nap and hasten drying. Vacuum the carpet thoroughly when dry.

SPECIFICATIONS

Active Ingredients	Synthetic detergents, coconut oils, solvents, optical brighteners, static electricity suppressor.
pH	10.5 ± 0.5
Free Ammonia	None
Free Acid	None
Phosphates (Elemental)	<0.2%
Abrasives	None
Color	Green
Odor	Lavender
Solubility in Water	100%
Freeze/Thaw Stability	Minimum 2 cycles
Shelf Life	1 year minimum at room temperature
Flash Point	None
Weight Per Gallon	8.8
Biodegradable	Yes
Soil Suspension	Excellent

SAFETY INFORMATION

Health	1
Flammability	0
Reactivity	0
Personal Protection	B

CAUTION: May cause irritation in undiluted concentrations. If ingested give vinegar, lemon or orange juice. Follow with olive oil. External contact, flush with water. In the event of eye contact, flush with plenty of clean water. **Contact a physician.** Contains Glycol Ether Solvent CAS# 111-76-2 and Alkaline Builders. For complete information consult MSDS Sheet.
