

MORNING STAR

Foaming, Mild Acid, Multi-Purpose Restroom Cleaner

Morning Star is designed to quickly and efficiently remove built-up soap scum, oily dirt, mold, and hard water deposits from ceramic tile, porcelain, metal, fiberglass and painted surfaces. Morning Star is a sophisticated combination of inhibited organic acids, biodegradable detergents, brighteners, corrosion inhibitors, and odor control agents. Morning Star dissolves dirt and holds it in suspension to be rinsed away, leaving restroom surfaces and fixtures clean, bright and odor free. Used in a regular maintenance program, this product reduces labor by leaving a light dirt-repelling film on cleaned surfaces and a fresh, clean smell.

APPLICATION & MAINTENANCE

TO CLEAN RESTROOM FLOORS: Mix 12 ozs. restroom maintainer with 1 gallon of water, and use it as a mopping solution. After mopping the floors rinse with clean water.

FOR WASH BASINS AND SHOWER STALLS: Apply maintainer with a foam generating trigger sprayer or as a coarse spray. Allow maintainer to stand for a few minutes, then wipe the surface clean with a sponge. For fixtures apply a few ounces of maintainer to a sponge, wipe the fixtures clean then rinse with clean water.

TO CLEAN TOILET BOWLS: Remove as much water as possible by plunging bowl-swab toward the bottom outlet. Apply 4 ounces of cleaner to a bowl swab while holding it over the toilet and mop the entire inside surface, seat and rim. Flush the toilet and rinse treated surfaces with clean water.

TO MAINTAIN URINALS: Apply 4 ounces to a bowl swab, clean all required surfaces, then flush and rinse with clean water.

SPECIFICATIONS

Active Ingredients	24% Active Combination of Organic Acids, Wetting Agents, and Detergents
pH	1-2
Free Ammonia	None
Free Alkali	None
Free Acid	<4%
Phosphates (Elemental)	<0.5%
Abrasives	None
Color	Milky Blue
Odor	Spring Bouquet
Solubility in Water	100%
Freeze/Thaw Stability	Minimum 3 cycles
Shelf Life	Minimum 1 year at room temperature
Flash Point	None
Weight Per Gallon	8.6
Biodegradable	Yes
Soil Suspension	Excellent

SAFETY INFORMATION

Health	2
Flammability	0
Reactivity	0
Personal Protection	C

CAUTION: Contains Dodecylbenzene Sulfonic Acid CAS #27176-87-0, and Citric Acid CAS #77-92-9. Harmful if Swallowed. **KEEP OUT OF REACH OF CHILDREN.** If ingested drink large quantities of water or milk. Induce vomiting with oil of ipecac. In the event of skin or eye contact flush area immediately with clean water for 15 minutes. **Contact a physician immediately.** Read Material Safety Data thoroughly before using.
