

ADVANTAGE

Chlorinated, Cream Cleanser And Metal Polish

Advantage lightly chlorinated, cream cleanser will clean a wide variety of surfaces including porcelain, enamel, stainless steel, aluminum and fiberglass of stains, dirt, grime, soap scum and other common soils.

Advantage can also be used to remove staining and discoloration from copper, stainless and aluminum flatware, and pots and pans. Formulated with a gentle, soft scrubbing abrasive, **Advantage** can be used on

the most delicate surfaces. The addition of bleach, allows Advantage to remove tough stains quickly leaving surfaces clean and bright. Safe and easy to use, **Advantage** will make cleaning fast and easy.

APPLICATION & MAINTENANCE

Apply **Advantage** to a damp sponge or cloth, or for rust or heavy staining directly to the surface to be cleaned.

On stubborn stains, allow **Advantage** to sit for a few minutes.

Scrub surface to be cleaned in a circular motion.

Rinse with clean water.

Polish with a soft, dry cotton cloth.

Not for use on painted surfaces.
